

BIO 2T

100% SYNTHETIC ESTER 2-STROKE ENGINE OIL

DESCRIPTION:

Biodegradable 2-stroke engine oil designed to ensure optimum protection and peak performance. Unique, ashless additive system reduces power valve maintenance and prevents corrosion while protecting critical engine parts. Ultra clean burning formulation minimizes carbon buildup and is recommended for use in environmentally sensitive areas. Exceeds JASO FD / ISO-L-EGD / API TC specifications.

FEATURES & BENEFITS:

- Biodegradable formulation is recommended for environmentally sensitive areas
- Surface-active esters tenaciously cling to and protect engine surfaces
- Ultra clean burning formulation minimizes carbon buildup and prevents ring stick
- Ashless additive system reduces power valve maintenance and prevents corrosion
- Exceeds JASO FD / ISO-L-EGD / API TC specifications

APPLICATIONS:

For all 2-stroke gasoline engines. Can be used as premix or in oil injection system. Safe for use at any OEM-recommended ratio.
