

MARINE 4T SYN BLEND

HIGH PERFORMANCE 4-STROKE ENGINE OIL

DESCRIPTION:

Semi-synthetic based 4-stroke engine oil specifically formulated for Personal Watercraft, Outboards, Inboards and Stern Drives. Unique frictional profile of this product optimizes supercharger performance (more power) while protecting the internal supercharger components. Shear-stable polymer system provides excellent film thickness and viscosity stability across all operating temperatures. Advanced, proprietary additive system with extremely robust anti-corrosion and anti-wear protection keeps your engine running clean, trouble-free and extends the life of the machine. Exceeds the requirements of API SM / JASO MA / NMMA FC-W (CAT) Catalyst Compatible.

FEATURES & BENEFITS:

- Formulated specifically for 4T Personal Watercraft and Outboard engines
- Unique frictional profile optimizes supercharger performance
- Robust anti-corrosion protection for wet operating conditions
- Superior anti-wear protection at extreme temperatures and loads
- Optimizes cleanliness while controlling oxidation and wear
- Exceeds API SM and NMMA FC-W (CAT) specifications

APPLICATIONS:

For all air and water-cooled PWC, Outboard, Inboard and Stern Drive 4-stroke gasoline engines.
